BUSINESS EXPERIENCE

TikTok Technologies Ltd. — TikTok Shop **May 2024 – Aug 2024**
Livestream Business Intelligence Intern

- Extracted and analyzed large-scale platform datasets to build reports and dashboards used across teams, improving visibility into livestream sales performance.
- Designed and launched voucher schemes by modeling subsidy costs and optimizing discount rates, lifting sales performance 30% within a day of launch.
- Co-built a Java/Python automated data extraction tool that cut a recurring 2-week reporting process down to 2 days.
- Delivered weekly progress updates to stakeholders, keeping cross-functional teams aligned as project scope evolved.

Newman Exclusive **Jun 2023 – Mar 2024**
Data Analyst and Pricing Intern

- Led email marketing campaigns that drove client acquisition, onboarding 1,000+ new clients across Southeast Asia.
- Digitized 10,000+ rows of manual records into a new database, designing the input template used for the migration.
- Set regional pricing packages by benchmarking competitor price ceilings and analyzing local buyer behavior.

3Zero Nutrition **Aug 2023 – Dec 2023**
Marketing Campaign & Supplier Sourcing Intern

- Evaluated and selected suppliers for a new product launch based on cost, specifications, and lead time.
- Built social media campaigns informed by competitor research and buyer surveys, delivering a go-to-market that hit 100% of first-week sales targets.
- Created ad creative to build buyer understanding of a new e-commerce nutrition product, driving it to “top sales” status within the first month.

LEADERSHIP & EXTRACURRICULARS

BBA Case Team, Thammasat University **Aug 2024 – Jun 2027**

- One of five students selected per academic year to the university's case team; represented Thammasat at global case competitions.
- Placed 3rd at BBICC 2025, one of the world's most prestigious undergraduate case competitions, out of a highly competitive international field.
